SUMMARY

Computer Science and Engineering graduate with internship experience in Web Development, Front-End Development, Python Development, and Artificial Intelligence. Skilled in Python, HTML, CSS, JavaScript, React.js, Bootstrap, MySQL, Git, and GitHub. Strong understanding of Data Structures, Database Management Systems (DBMS), Object-Oriented Programming (OOP), and Software Development. Experienced in developing responsive web applications, integrating databases, and collaborating in team environments. Quick learner with strong analytical and problem-solving skills, seeking an entry-level Software Developer, Python Developer, or Web Developer role to contribute to innovative projects and grow in a dynamic organization.

TECHNICAL SKILLS

Programming Languages: C, C++, Python, JavaScript, HTML, CSS

Frameworks: React.js, Bootstrap, Node.js

Databases: MySQL, MongoDB

Tools: Git, GitHub

PROJECTS

Spam Email Classifier

Machine Learning Project

2025

Python, Scikit-learn

- Built a spam email classification model using Naive Bayes and SVM algorithms.
- Applied text preprocessing and feature extraction techniques to improve prediction accuracy.
- Improved spam detection using machine learning techniques.
- Evaluated model performance using accuracy, precision, recall, and F1-score metrics.

Women Safety App using AI/ML

Academic Project

2025

Python, Machine Learning

- Developed an AI-powered women safety application with emergency SOS alerts.
- Integrated real-time location tracking and threat detection.
- Designed features for intelligent monitoring and emergency response.
- Focused on improving user safety through a reliable and easy-to-use mobile interface.

Dental Website with Appointment Booking System

Web Development Project

2024

HTML, CSS, Bootstrap

- Developed a responsive dental clinic website.
- Implemented an online appointment booking interface.
- Designed a user-friendly interface for better patient experience.
- Optimized website responsiveness to ensure compatibility across desktop and mobile devices.

EXPERIENCE

Web Development Intern

Paarsh Infotech Pvt. Ltd.

Jan 2026 – Jun 2026

Nashik, Maharashtra

- Developed responsive web applications using HTML, CSS, JavaScript, Bootstrap, and React.js.
- Designed SQL databases and implemented CRUD operations.
- Worked with Java OOP concepts and full-stack web development.
- Tested, debugged, and optimized applications to improve performance and user experience.

Web Developer Intern

Cognify Technologies

Jun 2025 – Jul 2025

India

- Built responsive web pages using HTML, CSS, JavaScript, and React.js.

- Integrated MySQL databases and optimized application performance.
- Collaborated with developers to improve UI/UX.

Python Developer Intern

Jun 2025 – Jul 2025

DieVektor

Pune

- Developed automation scripts using Python.
- Worked with file handling, Object-Oriented Programming (OOP), and AI-based applications.
- Debugged Python programs and optimized code for improved performance and efficiency.

Artificial Intelligence Intern

Jun 2025 – Jul 2025

CODEC Technologies

Maharashtra

- Learned and implemented machine learning algorithms for AI applications.
- Worked on real-world AI-based projects involving data preprocessing and model development.
- Evaluated model performance and analyzed results to improve prediction accuracy.

EDUCATION

Dr. A. D. Shinde College of Engineering

2022 – 2026

B.Tech in Computer Science and Engineering

Shivaji University, Kolhapur

- Graduated with 72.13% in Bachelor of Technology (Computer Science and Engineering).
- Relevant Coursework: Data Structures, Database Management Systems, Operating Systems, Computer Networks, Machine Learning, Web Development.

Institute of Civil and Rural Engineering, Gargoti

2018 – 2021

Diploma in Computer Science and Engineering (72.86%)

Maharashtra State Board of Technical Education (MSBTE)

- Graduated with 72.86%.
- Relevant Coursework: C Programming, C++, Data Structures, Database Management Systems, Computer Fundamentals.

CERTIFICATIONS

- Programming Fundamentals using Python
- Java Training
- Database Management System (DBMS)
- HTML Training
